(Keseluruhan panggung menjadi Kapal, setengah panggung bagian utara milik Andrea Doria, setengahnya lagi milik Hayreddin, kadua kubu saling menyerang)

SETTING: LATE AFTERNOON. THE HOPE IS DEAD. THE CREW IS SCATTERED AROUND THE SHIP.

SAYDI ALI

(Running from the distance, shouting)
Hey!

HAYREDDIN

(Alert)
Why can't you post? What's coming?

SAYDI ALI

They're going to be here any minute!

HAYREDDIN

Who's coming?

SAYDI ALI

The Spanish!

HAYREDDIN

How many? Twenty?

SAYDI ALI

Captain... maybe 300 of them! They have gun too! Full army!

JANISSARY

(Dismissive)
just a bunch of guys looking to surrender, that's all.

SAYDI ALI

No, I'm telling you! They were marching, they were singing! It sounded like they wanted to fight for real! They're right over there now!

TURGUT

(Stopping to listen)
Quiet! You hear that? That's an entire Holy League. This is trouble.

JANISSARY

No way!

ISHAQ

(Anxious)
HAYREDDIN... look, it's about to be dark. Let's just move out of here, okay? Let them pass on through.

HAYREDDIN

(Calmly but firmly)
SAYDI ALI, go get your things. Go get your pack. Let's go.

JANISSARY

(Grabbing his gear)
Let's move it!

HAYREDDIN

(Staying still, looking at the ship)
We never ran before. I'm not running now. I'm going to stay and fight.

ISHAQ

(In disbelief)
We can't hold this war!

HAYREDDIN

You mean I have to hold this.

ISHAQ

The ship's busted! The track is dead! You're talking crazy!

HAYREDDIN

It's my home.

JANISSARY

What are you doing? You're going to sit here and hold this war all by yourself?

HAYREDDIN

(Directly to the crew)

You know what I'm doing? I'm doing our job. All of us. Give me ammo for the cannon. Prep your fighting positions. We don't have to tell them how we're going to fight. We have cannon!

ISHAQ

(Screaming in frustration)

Stop, what are you doing?!

HAYREDDIN

(Exploding in a shout)

Get out of here! Get to that tree line! Go!

(The crew stands frozen. HAYREDDIN starts aggressively throwing supplies off the ship deck to clear the area for battle).

HAYREDDIN

(Softer, but grim)

Boys, take care of yourselves. Get to that tree line. Go.

(Long silence. The sound of distant singing begins to drift in.

TURGUT is the first to move, walking slowly back to the cannon).

TURGUT

(Resigned but steady)

I'm staying with you.

HAYREDDIN

(Nods)

I'll need you to load.

JANISSARY

(Climbing up, sighing)

Alright... alright. Move it. Get on, ISHAQ. Come on!

SAYDI ALI

(Looking around, confused)

What am I doing? Where do I go?

HAYREDDIN

(Pulling him up)

Just do what we're doing. All of us. Get on the ship!

JANISSARY

(Pointing toward a fallen soldier nearby)

Hey! Grab one of those uniforms over there! We need to make this look like we've already been hit

ANDREA DORIA

In Total my holy leagues navy comprised of 112 gallery, and over 60.000 armed soldiers one vessel worth nothing was the the venetian flagship a behemoth of a galleon that dwarfed its foes, Alright, let's see what you've got!

[The ocean crumbles]

[ENSEMBLE]

Bar-ba-ros-sa

Bar-ba-ros-sa

HAYREDDIN

My brothers

The rest of our fleet

They wait at the beach

And if we're defeated, they're good as dead

Straight ahead, that is who we're fighting

[ENSEMBLE]

Bar-ba-ros-sa

HAYREDDIN

No backup, no chance for support
So draw out your swords
Our foe must be thwarted right here and now
Show me, how great is your will to survive?

Six hundred lives at stake, it's just one life to take
And when we kill him, then our journey's over
No dying on me now, defeat is not allowed
We must live through this day
So fight, fight, fight
[Battle sounds]

[HAYREDDIN, JANISSARY]

Surround him! (Surround him!)
Attack from behind, keep distance in mind
And stay in his blindspot and strike his heels (Strike the heels!)
Show him that we're deadly (Ha! Ha!)
Exhaust him (Exhaust him!)
Don't let him get close, he's strong but he's slow
He can't land a blow if we're out of reach
Find a breach
Stand up and fight for your lives

JANISSARY

Six hundred lives at stake
It's just one life to take
And when we kill him then our journey's over

HAYREDDIN

Push forward!

JANISSARY

No dying on us now
Defeat is not allowed
We must live through this day so
Fight, fight, fight

[Battle sounds]
